Tax Map Key (2) 3-8-079:018 (por.)

The Hawaii Department of Transportation (HDOT), Highways Division hereby transmits the Draft Environmental Assessment (DEA) for the Proposed Kahului HDOT Baseyard Project and anticipates a finding of no significant impact. Please publish the notice of availability of the DEA for this project in the next edition of the periodic bulletin.

The proposed project will occur on a portion of a State-owned parcel near the Kahului Airport on Maui Island. The baseyard facility will essentially retain all of the functions that currently occur at the transportation operations baseyard.

HDOT kindly submits the required items for publication including a searchable PDF file of the DEA.
